

LIFT TRUCK SCALES

SkidWeigh

ED2 Series 10 Models

An economical lift truck scale for weighing/overload safety, built to operate in an industrial environment. Most popular for freight weight verification of pallet weights

- Low installed cost
- Maintenance-free
- Simplified Installation
- Accurate to +/- 0.5-1%

SP1000 Series 4 Models

A microprocessor based on-board check weighing system designed to be connected to the electronic pressure transducer. Simple setup and calibration

- Onboard Instructions
- Helps reduce wear & tear
- Accurate to +/- 0.5-1%
- Increase work efficiency

SP1000 Series LFC Model

The LFC Model converts any large capacity lift truck into a mobile check weighing scale. The system automatically converts the hydraulic pressure on the lift truck into a weight measurement, and then displayed

- Container lifters
- Loaders
- Diesel fork lift trucks
- For extremely heavy loads (10,000-100,000lbs)

63 McIntyre Place

Unit #7 & 14
Kitchener, Ontario

ED2 Series
SM Models

The SM Models convert any lift truck into mobile check weighing system, by interpreting weight from the hydraulic pressure. Overload warning notifies the driver when the load is reaching the predetermined threshold

- Simplified Installation
- Preset Weight Limit
- Accurate to +/- 0.5-1%
- Reduce truck wear

ED2 Series
SLL Models

The SLL Models convert any lift truck into a mobile load weight indicator that displays how much of the total capacity the existing load occupies, simplified in percentage form

- Prevent tipping
- Ensures safety
- Easy-to-read
- Increase efficiency & truck life

Products & Services
SkidWeigh

SkidWeigh also offers other items that can aid in the process of achieving the most out of your lift trucks. From diagnosis to services, there are items for every need

Also Available:

- Lift Truck Scales
- Lift Truck Safety
- Lift Truck Accessories
- Lift Truck Overload Indicators
- Lift Truck Utilization Recorders
- On-Board Printers
- Fork Levelling Systems
- Bluetooth Wireless Technology
- Custom Made Lift Truck Scales
